

# Missionary Moment

*Please add the following requests to your prayer list:*

*Marc & Judie Blackwell serve as church planters in South Africa. Praise the Lord for donations to begin covering the needs of food and utilities as 10 local churches struggle to help families without jobs during the pandemic. Pray for opportunities to witness to the unsaved.*

*Jessica Bell is in Brazil ministering to groups of homeless youth. Pray for increased skill in learning the language. Pray for safety as many of her co-workers have contracted the virus. Praise the Lord for open hearts as teams have helped provide food and housing.*

*Renate Reiner has taken on a new role as instructor at the Cariri Baptist Seminary in Crato, Brazil. She will be teaching online classes following the end of BNM's publication department there.*

*Sue Lodico is praising the Lord that Durban South Africa has moved to a Level 3 lockdown and churches are allowed to meet. The need for food is great among those who have lost their jobs. Pray for softened hearts as believers reach out to help others. Donations are welcome at ABWE.*
