

Missionary Moment

Please add the following requests to your prayer list:

Andrew & Romina Self are praising the Lord for health and safety during the past months. Quarantine lockdown has been extended until September 20. As a result, preaching has continued on Facebook Live and weekly fellowships on Zoom. Pray for funds needed to repair extensive and unexpected water damage to the roof of the church. Claudio continues to be physically stable and witnessing to medical staff.

Bill & Tamra Branks are praising the Lord for opportunities to distribute literature and invite neighbors to the church. Pray for wisdom in converting one available room into an area primarily for children. Praise the Lord also that their rent has not been raised.

Jim & Becky Storey are praising the Lord for new church attenders and for the 3 adults who have recently accepted Christ as their Savior. Continue to pray for Jim & Becky who have various physical health issues.
