

## *Missionary Moment*

*Please add the following requests to your prayer list:*

Renate Reiner is praising the Lord for a successful trip to Brazil in November to teach on the importance of education in the local church. She also participated in the annual conference of the Regular Baptist Press in Brazil and attended a celebration of the 10 year anniversary of the Christian Global Ministry in Brazil of which her husband, Doug, was one of the founders.

George & Deb Collins are praising the Lord for the many evangelistic programs held during the month of December. Pray for follow-up opportunities with those who have expressed an interest in the gospel. Pray also for wisdom in planning another trip to encourage ministries in Asian countries.

Nate & Maam Beckman are praising the Lord for the profession of faith from a young man from Lao who now lives in the States and attended the Iowa Regular Baptist Camp last summer. God brought Brayden to camp during the only week Nate would be speaking and Maam could witness as a former Buddhist.

Dan & Joan Cuthbertson are praising the Lord for continued wide-open opportunities to witness to the students who attend their Christian school. Pray for wisdom in using the limited time available to teach. Praise the Lord also for resuming evangelistic opportunities in the village of Petit Pedro with the goal of planting a new church.
