

# *Missionary Moment*

*Please add the following requests to your prayer list:*

Sami & Firial Barham are praising the Lord for His blessing on their ministry and for safety during the troubled times in the Holy Land. Praise Him also for the expansion of their weekly children's ministry. This month, their church hopes to host a 3 week medical outreach. Pray that the situation allows them to do so. Pray also for additional funds to construct a church and community service building.

Jim & Stacie Bowers are praising the Lord for continued opportunities to host pastors and missionaries at their home in Puerto Rico. Praise Him also for an opportunity to attend a Christian conference for sports chaplains in African countries. Pray for God's will regarding the development of a Word of Life youth club and summer camp program. A full-time missionary is needed.

Dave & Sarah Watson are praising the Lord for progress in language study and understanding of the culture in which they serve. Pray for the needed visa approvals in order to continue their long-range plans. Pray also for God's leading in choosing which people group to focus on.

Marc & Nancy Blackwell are praising the Lord for progress in beginning a new ministry in Zimbabwe. They have made contact with 3 village church plants and 3 "preaching points" in other areas. Pray for the pastoral students who are ministering in these areas. Pray also for God's leading in response to another request for Marc to plant a church.
